## **Driving Instructions**

### **Wed - Sandon**

Church at end of lane opposite the Dog & Doublet. If park on the grass then beware sandstone block which can be hidden

### **Thurs - Crewe**

Free parking on ex M.F.I. Site 100yds south of the tower

### **Friday - Keele - Woodlands**

Woodlands  
Keele Road  
Keele

From the church car park, go down Church Bank and turn left into Quarry Bank Road. At the end, beside the pub, turn right and proceed through the village and into Station Road. After about 0.75 miles, join the A525 at the western end of the Keele bypass, and turn left.

Shortly after, go under a railway bridge, through a wood, and look out for Madeley Heath Motors Renault garage on the right, and slow down when you see it.

Woodlands is about 50 yards past, on the left, just after the sign announcing Madeley Heath.

Very soon after, you will see a road junction sign which also has a horse warning.

Do not go past the horse! Our drive is between the two signs.

Our house name is on a tree a few yards down the drive; when the drive splits, take the left arm.

I guess the sensible approach would be for me to wait at the church until the tower-grabbers have rung, and pilot them to Woodlands.

The map available from our entry in the on-line *Dove* is pretty accurate.

### **Sunday - Tunstall**

There is car parking to the north and east of Christ Church which is accessed off the A50 to the north of the c
